

# Yale Summer Academy

COLLABORATION. LEADERSHIP. SOCIAL ENTREPRENEURSHIP.

Sponsored by Yale University, the Yale Summer Academy is an immersive academic experience for high school students. During the program, you will take an interactive rotation of academic enrichment classes and learn the topics and skills needed to work on a social entrepreneurship project. Groups select a project topic relating to an environmental issue facing our local or global communities and collaborate to develop a fully executed plan to effect positive change.

## SOCIAL ENTREPRENEURSHIP PROJECT & SYMPOSIUM

The project-based component of the program will introduce high-level leadership, advocacy and teamwork training. Within groups, you will agree upon an issue and use the knowledge learned in your classes to work toward raising awareness, creating a solution and inspiring change. Your group will showcase your work to a panel at the end of the session at the Program Symposium.

## LIFE AT YALE UNIVERSITY

You'll be living on campus in one of Yale's Residential Colleges and taking classes in Yale's finest academic buildings. Yale is a stunning tree-lined campus in New Haven, Connecticut, USA with a 300-year-old history of academic excellence. It's also been called "the most beautiful urban campus in America." You'll enjoy breakfast, lunch and dinner in the on-campus dining halls. You'll also love living just a short walk from the Yale Bookstore, retail stores, coffee shops and restaurants.

Social opportunities are a cornerstone of this program. In addition to time spent with peers in daily classes and groups, relationships are forged through recreational evening activities, visits to on-campus museums and labs, and a weekend trip to New York City.
